

Linssen 35 SL AC

Extremely charming Linssen Yachts with modern, sporty looks. Compact model equipped with every comfort for 4 + 2 people.

The boat has a surprising amount of living space for a 35-foot yacht and two cabins, each with a double bed.

Both cabins have a bathroom and an electric onboard toilet. On board, the VK has a separate shower stall.

The bright modern interior gives the salon a light, attractive and chic feel. The Linssen quality prevails here.

The kitchen is fully equipped and the boat can be delivered with the complete furnishings if desired.

The sailing characteristics are magnificent, you easily maneuver this chic yacht in a marina or boathouse.

A remarkable detail is that the VAT can still be settled, so very interesting for a business investment for example in a Buy and Charter construction.

We have a place available immediately at a Linssen Boating Holidays branch. You leave the complete boat management to us - you sail when

you want and we also use your yacht for sea trials and charters.
Meanwhile, you earn from this rental model.
