SANZI - YACHTS

Linssen Grand Sturdy 350 AC

An exceptionally charming motor yacht from the renowned Linssen Yachts brand.

A compact model equipped with every comfort for 4 + 2 people.

This is the rare model equipped with two beautiful stern steps!

The yacht is in excellent condition and has been owned by a single owner.

The Raymarine navigation package is very comprehensive and includes, among other things: bow and stern thrusters, a chartplotter, AIS, autopilot, 2 x multi-gauge displays, an anemometer, a depth sounder, a speed log, a rudder angle indicator, a marine radio, etc.

For a 35-foot yacht, the boat has a surprising amount of living space and two cabins, each with a double bed. In addition, the salon's luxurious leather-upholstered sofa can be converted into an extra double bed in no

time at all using the Easy-Sleep system.

Both cabins feature a bathroom and an electric head. There is a separate shower stall in the VK.

The original cherry wood gives the salon a light, cozy, and chic look.

Linssen quality is evident throughout.

The kitchen is fully equipped and, in addition to a three-burner stove, features an oven in which you can, for example, bake a loaf of bread.

The handling characteristics are exceptionally good, as you would expect from a Linssen. You can easily maneuver this elegant yacht into a berth or boathouse.
