

Linssen Grand Sturdy 410 AC Variotop®

Very neat Linssen Grand Sturdy AC 410 Variotop in a chic light color scheme. Interior is finished in original cherry wood. A unique open Variotop atmosphere determines the bright interior of this chic motor yacht. Two very spacious cabins each with a large double bed and each with its own bathroom with shower and electric toilet. In addition, a middle cabin with two single beds and in the salon is Linssen's easysleep system that transforms the seating area into a comfortable double bed in the blink of an eye. In all, there are eight berths. The fine bright kitchen has a microwave, an induction cooktop and a refrigerator with a freezer compartment. In the bathroom there is a washing machine. The yacht is equipped with a generator and is thus completely self-sufficient. The steering position is equipped with a leather twin helm seat which is adjustable in height but also has an adjustable backrest making it a part of the seating area on the aft deck. The yacht is powered by a powerful Volvo D3 engine with an output of 150 HP and is equipped with a comprehensive navigation package and a bow and stern thruster with remote control. This yacht is heated by means of a central heating system (water heating). A completely complete and ready to sail Linssen Yacht.
