

Linssen Range Cruiser 450 Sedan Wheelhouse

A beautiful Linssen yacht of the **Range Cruiser 450** model, featuring elegant details and a very comprehensive package of options. It offers superb handling characteristics and is very easy for anyone to operate. The yacht is equipped with powerful 6-cylinder Steyer engines and a **very complete navigation package**. The classic Linssen styling, with maritime accents throughout the yacht, gives this vessel a particularly rugged, elegant, and distinctive appearance.

On the starboard side is the helm station, featuring a comprehensive navigation package and **proportional bow and stern thrusters**. The helm station is positioned slightly higher, providing a perfect view. The window package features double-pane glass from Thermic Line.

The wide sliding roof above the salon gives the interior helm station a wonderful outdoor feel. For ultimate cruising comfort, this Linssen is equipped with a **set of Magnus Master stabilizers**. These allow for a very relaxed cruise, even on open waters with heavy swells. To ensure a clear view, this yacht is equipped with **a camera**.

The yacht features a spacious forward cabin with a double bed featuring a slatted base and premium-quality mattresses. The forward cabin is equipped with ample closet space and a bathroom with a toilet and vanity. Amidships is a remarkably spacious second cabin with two single beds; opposite it is a guest bathroom with a sink, shower, and toilet. The galley is spacious and equipped with an induction cooktop, a combination oven, a dishwasher, and a large refrigerator with a freezer compartment.

The lower deck features a washing machine and plenty of space for items such as onboard bicycles. The yacht is equipped with a generator. The yacht is heated via a comfortable hot-water heating system. There is an abundance of storage space throughout the yacht. The salon features a spacious sofa equipped with the Easy Sleep system; with a simple adjustment, you can create two additional sleeping berths. The salon offers a pleasant atmosphere thanks to the beautiful light-colored wood paneling and abundant natural light. What makes this layout special is that the cockpit, salon, and galley feel like one large, inviting space. The open cockpit, which flows seamlessly into the salon via French doors, features a very spacious corner sofa with an original Linssen cushion set and a sturdy fixed table on two high-gloss stainless steel legs. This area can be fully enclosed with awning panels in steel gray. The cockpit is fully heated and offers plenty of seating. The yacht has a robust, rugged appearance with chic maritime allure. The lines and the

beautiful woodwork at the stern give this exclusive yacht a unique signature. Combined with a warm atmosphere, this ensures you'll feel right at home the moment you step aboard.
