SANZI - YACHTS

Linssen Yacht GS 40.0 Sedan Intero

A very spacious and charming sedan model from Linssen Yachts. Finished in the popular “olive-green” hull color. Superb handling characteristics, making it very easy for anyone to operate. The yacht is equipped with a quiet Volvo D3 propulsion system and a complete navigation package. The classic Linssen styling, with maritime trimwork throughout the yacht, gives this vessel a charming and distinctive appearance. This yacht features teak decks in the cockpit, on the swim platform, and even on the gangways and foredeck.

On the port side is the helm station, complete with a full navigation package, proportional bow and stern thrusters, and a Sidepower remote control for operating the bow and stern thrusters and the engine.

The yacht features a spacious forward cabin with a double bed featuring a slatted base and high-quality mattresses. Amidships is a second cabin with two single beds. The galley is spacious and equipped with a stove, a large refrigerator with a freezer compartment, and a gas oven. There is an abundance of cabinet space throughout the yacht. The salon features a spacious sofa equipped with the Easy Sleep system; with a simple adjustment, you can create two additional sleeping spots. This means you can sleep with up to 6 people aboard this Linssen. The salon offers a pleasant atmosphere

thanks to the beautiful light-colored wood paneling and abundant natural light. The open cockpit, which flows seamlessly into the salon via French doors, features a very spacious corner sofa with an original Linssen cushion set and a sturdy fixed table on two high-gloss stainless steel legs. This area can be fully enclosed with awning panels in the color Sand. The cockpit is fully heated and easily accommodates at least eight people.

Looking to make a business investment? The VAT on this yacht is still deductible. May be available with berths and a charter arrangement. Inquire about the possibilities.
