Grand Sturdy 30.0 Sedan / AC

If you are considering taking a first step in the world of boating, our smallest Grand Sturdy 30.0 is your perfect introduction.

A Linssen yacht is characterised mainly by its excellent sailing characteristics. And that's what it's all about of course: reliable technology, fantastic stability and easy manoeuvrability. In other words: carefree cruising.

The Grand Sturdy 30.0 is suitable for exploring all the inland waterways, rivers, canals and lakes in Europe. Many towns and cities are traditionally located on water, which means you can often moor your boat right in the centre.

Needless to say, you are not restricted to inland waterways. If you wish to go further afield, you can easily take a roundabout route to your destination along the sheltered coast.
