Grand Sturdy 40.0 Sedan/AC

Like its little sisters, the Linssen Grand Sturdy 40.0 is available as an AC version (with an aft cabin) and a Sedan version (with an open, self-draining cockpit). The easily recognisable, slim profile is consistently carried through into the elegant designs.

The Grand Sturdy is a generously proportioned yacht with a full, wide forward section. The Linssen 40 ft segment has an exceptionally spacious layout. You can never have enough storage space on a boat. All Linssen yachts have practical, efficiently positioned

drawer units, cupboards, etc. to provide every convenience on board.

In the Sedan version, the passage connecting the saloon to the cockpit is on one level, with only a low threshold. Running along the length of the superstructure, the Linssen Longtop covers the cockpit. This means you can stay comfortable and dry – or sheltered from bad weather – when sitting on the cockpit seat, which is built into the stern door to the swimming platform. The space under the cockpit floor on the Sedan is exceptionally large and offers many possibilities.
